

chapter 7

Supporting Your Ideas

Supporting Materials

- **Examples**
- **Statistics**
- **Testimony**

Example

Specific case to illustrate speaker's ideas

Types of Examples

- **Brief**
- **Extended**
- **Hypothetical**

Brief Example

**Specific case referred to in
passing to illustrate point**

Extended Example

**Story, narrative, anecdote
developed at length to
illustrate point**

Hypothetical Example

**Example that describes
fictitious situation**

Tips for Using Examples

- **Clarify ideas**
- **Reinforce ideas**
- **Personalize ideas**

Tips for Using Examples

- **Make examples vivid, richly textured**
- **Practice delivery to enhance extended examples**

Statistical Measures

- **Mean**
- **Median**
- **Mode**

Mean

**Average value of group
of numbers**

Median

Middle figure in group once figures are put in order from highest to lowest

Mode

Number that occurs most frequently in group

Tips for Using Statistics

- **Use reliable sources**
- **Use to quantify ideas**
- **Use sparingly**
- **Identify sources**

Tips for Using Statistics

- **Explain thoroughly**
- **Round off**
- **Use visual aids if needed**

Testimony

**Quotations or paraphrases
used to support point**

Expert Testimony

**Testimony
from
recognized
experts**

Peer Testimony

**Testimony from ordinary
people with firsthand
experience, insight on topic**

Direct Quotation

**Testimony presented word
for word**

Quoting Out of Context

**Distorting statement by
removing it from words,
phrases around it**

Paraphrase

**Restate source's ideas in
your own words**

Tips for Using Testimony

- **Quote, paraphrase accurately**
- **Use testimony from qualified sources**

Tips for Using Testimony

- **Use testimony from unbiased sources**
- **Identify people you quote, paraphrase**

Citing Sources Orally

- **Name of document**
- **Author or sponsoring organization**
- **Qualifications**
- **Date**

Example

“Kimberly Palmer, financial columnist for *U.S. News & World Report*, reported in the January 28, 2008, issue that graduating students now owe an average of \$15,500 in student-loan debt.”
